

## **EXIT INTERVIEW QUESTIONS**

- What was the highlight of your experience?
- What could we have done differently to make your experience more positive/better?
- Which, if any, part of your experience felt awkward or lacked flow with other parts?
- If you were asked to share your experience with other girls, how would you describe it?
- Were there any times when you wished we went into more detail about a certain subject?
- How did you feel about consensus once the program was finished? Would you use this method again to reach a solution?
- Are there any discussions that you think we could have handled differently?
- What are some suggestions you would give to future mentors?
- Do you think you will continue working with philanthropy in the future? Why?
- Do you have any other thoughts about your experience?
